Hail to the Chief

Steve Liebert

My introduction at the club dinner made me realize that some of our club members don't know who I am. My name is Stephen Liebert (pronounced Lee-bert) I've been a member of POCI for over 25 years. I've been a KSC member for about the last 9 years. I discovered the Keystone State Chapter through Smoke Signals' chapter news. I attended a couple of Junkyard tours sponsored by the club and advertised in Smoke Signals before I joined.

I hope to bring some of our events closer to our members who live more on the fringe of KSC's coverage area. I would also hope that these members contact me with their ideas and hope that they can help suggest hosts for car shows or local special interest places we could visit during a tour etc. It's also been suggested to interact with other auto clubs and organizations to help spread the word about each other. We have been involved with the local AACA club for years and have shared events. We can continue this with other clubs. My E mail address is ligoat-par@verizon.net. Or you can call or leave a message at (215) 322-9636. I am a second shift worker, so please call after 8:00AM. I would also like to collect E mail addresses for everyone in the club that has E mail. These addresses would only be used for club information and not given out. The club already communicates a lot by E mail. If we can get everyone on the list, it helps keep everyone up to date on a moments notice.

With "our" current global economic condition, I realize a club like this is a luxury. Sometimes a needed luxury to help keep our minds stimulated, and to think about things other than ourselves. I feel we should also be more flexible with our "rules" concerning car classes, depending on the circumstance of the show or event. This may help to stimulate a growth of younger members. We've already got the planning of the '09 season off to a good start with our members meeting January 11th. We have another full year planned, so stay tuned to our coming events post, and join us.

Steve

Spring Tour

We will be touring the **Eisenhower Farm at the Gettysburg National Park** and then having lunch together afterward - Tentatively, a neat German restaurant down Route 30. If so, we may also make a few other stops along historic route 30 in Adams & York counties. If interested or planning to attend please, **contact Tina Reich via phone or e-mail Tina Reich (717) 932-2215 or treich@ix.netcom.com as soon as possible**. She needs to make reservations for us to get the group rate. Go to <http://www.nps.gov/eise> for directions. Eisenhower National Historic Site is the home and farm of President Dwight D. Eisenhower. Located adjacent to the Gettysburg Battlefield, the farm served the President as a weekend retreat and a meeting place for world leaders. With its peaceful setting and view of South Mountain, it was a much needed respite from Washington and a backdrop for efforts to reduce Cold War tensions.

Open daily: 9:00 a.m. to 4:00 p.m. Due to a lack of on-site parking and space limitations in the Eisenhower home, visits can only be made by a shuttle bus leaving from the Gettysburg National Military Park Visitor Center.

Cost: \$6.50, Adults (13 years and older)
\$4.00, Youth (6 - 12 years of age)
\$4.00, Group (6-12, 16+ people)
\$5.50, Group (13 years and older, 16+ people)

Looking forward
to
seeing you all there!!

GM on Display

Come and experience the joy of seeing Renowned GM vehicles of past and present. Show your pride in your Pontiac and in your club. Once again, my better half and I are preparing for another GM on Display at Macungie Memorial Park. Dare we hope for ideal weather at an event that has been cursed more than blest by Mother Nature! Putting my name on the event does not further the cause, given my track record with outdoor events over the years, as many of you can attest to. We are once again hoping you will come out to support the 31st Annual GM on Display. We will need lots of help on the day of the show. Please contact me via the registration form or by e-mail— chiefpontiac1@aol.com. While this may sound repetitive, I want to thank those who pitched in last year and made it somewhat manageable and under control unlike the chaos from previous years. Looking forward to seeing you all there. As an FYI, Rosemary and I are going to Macungie on Saturday April 25, 2009 to plan the show field. If interested let me know and maybe after planning the show field we can meet and enjoy dinner at one of the local spots. **Feel free to share or copy the Flier.**

Spring Meet 2009 Sunday– June 7, 2009 Northwoods Group in New Bloomfield, PA

How to make this event successful! Come and Participate Bring your vehicle, bring yourself. We need help at registration and on the show field. Contact Meet Chairperson— Merle Wright if you are planning to attend and help out. Many hands make light work. Reminder, this is a club event and is as important as any other Meet or Activity. We hope to see you there. Come out and enjoy the hospitality of Northwood's Auto Group. Let's try to get 75+ cars on the show field. Look for the Flier in the next newsletter.
