## Pontiac Oakland Club Keystone State Chapter AACA Exhibit

The Original *Pontiaction* Chapter...  
The **Keystone State Chapter**  
Pontiac Oakland Club International

MAY 18 - OCT. 20

AACAMuseum.Org      Hershey, PA

AACA MUSEUM  
of All The "Great" Years

The **Keystone State Chapter** of the **Pontiac-Oakland Club International** exhibit will feature several different types of this iconic GM brands over the next six months. From the early Oakland to the introduction of Pontiac through GM's muscle car and "Wide Track" history. The exhibit will start by showcasing three different eras of the famous GTO! Display vehicles will include models from 64 thru 67, moving to 68 to 72 and finally, the Australian built 04 to 06. The display will be enhanced by a history of the brand through automobilia and auto dealer signs. We'll showcase the first brand "Oakland" then on to the famous Tin Indian and continue on through to the Arrowhead.

The Original *Pontiaction* Chapter...  
The **Keystone State Chapter**  
Pontiac Oakland Club International

Founded 1975; LONGEST CONTINUOUSLY OPERATING

# From The Chief

What an exciting time to be part of the Keystone Chapter of POCI. As this car season is coming together the club has so many activities going on and things for lovers of Pontiac/Oakland/GMC brand to be involved in.

We just finished a terrific outing to The Boyertown Museum of Historical Vehicles where we ate pie and coffee in the old diner then enjoyed time exploring all exhibits that this fine museum has to offer.

Our GM on Display is coming up in Sunday, May 5th. I hope you all bring out a car to McGungie Park for this annual event. A lot of work has gone into this show (41 years), so come out and support the efforts and enjoy lots of GM vehicles.

I was recently notified that our members donated \$180.00 to the Pontiac Museum this past year; what a great gesture by our Keystone family.

And, finally the convention; I can hardly believe we have been working on this for almost 3 years and we are now coming down to the July big event.

If you have not registered, please do so, and if you are able volunteer to help out the Keystone and Delmarva Chapters. We can always use the help.

As you can see a lot of going on as we approach this car season and more to come.

Please support the club and enjoy the fellowship of your fellow members.

See ya down the road!

Tom Wright

## Jim and Linda Rogers' 34 Pontiac HPOF Award

I found the car in a garage near my home in Freeland. It had been sitting a number of years. The carburetor was rebuilt and the gas tank cleaned and sealed. It was given a tune-up and the car was running. After driving it, the tires were flat spotted so new tires were put on. The car is an unrestored original with a 223 cu straight 8 that produces 84 hp. The car has a few options: city horn, front bumper, bumper guards, hard spare tire cover, and right brake light. It has a three-speed standard transmission and mechanical brakes at all four wheels. The exterior paint and interior are all original, which includes seats, carpet, and headliner. The model number is 34309. The car gets a lot of attention at shows, especially the AACA Fall Meet, which this

year will be the 14th year it has been shown there. It was in the "Garage Finds" display at the AACA Museum in 2018. It is a POCI Gold Junior winner twice and, most recently, awarded the HPOF National Award from the AACA for vehicles 1930 through 1990.

Jim Rogers

		<i>SEE <a href="http://www.kscpoci.org">www.kscpoci.org</a> UNDER <b>CURRENT EVENTS</b> FOR ALL THE DETAILS and REGISTRATION INFO</i>

## ***Visit to Boyertown's Museum of Historical Vehicles***

We had 11 club members come out for the visit to Boyertown's Museum of Historical Vehicles. We had a great breakfast at Savilles as they easily accommodated our group. We then drove a short distance to the Museum for their Diner Day event. The museum was the home of Duryea, and features cars that were made in or had some connection with Boyertown, We sat in the old Fegley's diner and enjoyed pie for .25 cents and coffee or milk for a .05 cents. Thanks to the museum personnel, especially Autumn, for taking care of our small group. We then spent as much time as we wanted in touring and enjoying the vehicles in the museum mostly manufactured in the state of Pennsylvania.

# ODDS AND ENDS
