

2023 JUNK YARD TOUR

FRIDAY NOVEMBER 24th

From Stephen Leibert

With Ralph's help, and my camping trip that coincidentally went near this place, Winfield Salvage would be our yard tour this year. A little bit of a drive, but a shade closer, time wise, than Dave Rapps in Starlight.

The address is 860 Wolf Hollow Rd. Big Cove Tannery, Pa. 17212 The road dead ends into the yard. BONUS, 2 (two) yards are here next to each other. Satellite view shows mostly the "other" yard. Winfield's is largely under trees. He has stuff from back to the 40's. W.W. salvage is the other yard, and he has a newer selection.

For our members that have any mobility problems, this will be a challenge. I'm sure a "yard car" will be able to give you the tour. It's fairly hilly, some pretty steep. I'm still planning another visit, before the tour. I have more pics, for some reason, they didn't make the computer, so I'll fix that and send some more.

More details to follow.
