Full documentation from new of this, mostly original, Cordova Red Kenya Ivory Star Chief. As a longtime POCI member, I purchased from original owner over thirty years ago. This is an early 57 which has the gold star emblems incorporated within the genuine leather seats, factory coordinated to exterior colors. Car is in beautiful condition with completely original drive train. Options include: P/S, P/B, Tinted glass (all windows), dual exhaust, lighted fender ornaments, rear power antenna and Bonneville flipper hub caps.
