

2022 DUES DUE BY JANUARY 31; FORM INSIDE

EDITOR'S NOTE: Sorry for the "late edition". Was waiting until after the Board and Planning meeting, which did not happen. So pressing on. Be sure to check out the Calendar of Events page for what we do know. Looking forward to a GREAT 2022. 50 years for POCI.

The Original *Pontiaction* Chapter...
The **Keystone State Chapter**
Pontiac Oakland Club International

From The Chief

Hello, Members,

Well, here we go with another new year and another exciting car season ahead. We finished the year strong with a terrific Junk Yard tour and an even greater annual Christmas Party attended by over 50 members.

Unfortunately, we decided to postpone our annual meeting in January due to yet another resurgence of our nemesis "Covid". We will have our annual business meeting in March and hopefully this mess will be gone.

In the meantime, we have a few items already scheduled for 2022. Our annual "GM on Display" will be held in June at the wonderful Magungie Park. Our fall show will be held in late September at our new location and equally wonderful as well as beautiful--the Shrine of Padre Pio in Bechtelsville/Bally, PA area.

Look in this newsletter for additional details, times and dates.

We will be publishing our full 2022 schedule very soon. Please remember to pay your annual dues via cash or check. Your membership and dues are the life blood of this Keystone Chapter, and we always appreciate your support. Additional details can be found in this newsletter.

As you review your new year "to do" list, don't forget your 2022 POCI dues as well.

Please stay safe, healthy and pray for an early spring.
See ya down the road. Thank you.....Tom Wright

To our Keystone State Chapter Family,

Don and I want to express our humbled gratitude to our club family. Who would have thought that 2021 would reap havoc in our lives. Experiencing Covid 19 was bad enough, but hearing that I had stage two breast cancer was more than devastating. Successfully, I underwent a radical mastectomy, eight rounds of chemotherapy, 28 days of intense radiation, and now onto physical therapy. Through all of this, knowing we had a KSC family helped immensely. With your support and encouragement, we were able to chair GM on Display, attend Das Awk Fescht, and participate in the Fall Meet. Thank you for your prayers, thoughts, cards, and calls. All was much appreciated. We are happy to share that I am officially 3 months cancer free. Many blessings to all of you and your family. Have a Happy New Year. See you on Sunday, June 5, 2022 at our 43rd Annual GM on Display.

Sincerely, Don and Rosemary Haley

INTO SOME JUNK ~ HIGHLIGHTS OF THE JUNK YARD TOUR

The weather forecast for the Friday after Thanksgiving was dropping temperatures and possible snow flurries. All this was supposed to start around lunch time. We had a great breakfast at Tom's Kitchen in Sugarloaf, PA. By the time the crew from breakfast showed up at Harry's in Hazelton, the temperature was falling fast. As we were climbing out of the cars and paying our entry fee we became engulfed in a blinding snow squall. Wind whipped snow falling and sticking to most everything. Although there were complaints, it didn't really faze our crew of automotive scavengers. I had brought a friend looking for S-10 or S-15 Chevy/GMC truck doors. That's us removing one of the doors from the donor. I understand some others scored parts on their lists.

It seems not all of our crew made the trek to Bonners (also in Hazelton) later. The people that did were rewarded with the chance to cruise the yard in your own vehicle. This made things a little easier as you could warm up in your car. We had scored another S-10 door there as well. I'm also working on a project for another friend involving a '67 Dodge Coronet Convertible. We are installing a same year Charger interior in this car. I had some questions of fitment involving the rear seat, side trim pieces. I was able to find a Charger at Bonners with the rear seats installed and still intact. Pictures taken will help with the install. I understand some of the guys stayed later and talked and celebrated with the Bonner's crew.

Our 3 man crew ended up back at Harry's just before closing to pick up a door we left behind, pending the quality of the parts at Bonner's. In all we got three doors, a battery, carb, and 2 wheels. The wheels interestingly are the wheels that were the style that were available on the AMC Rebel Machine. I'm told the only car they were available on. So there are still some scores out there, if you're eyes are open.

Thanks for coming along, Stephan Liebert

NO MEETING (OR TOUR) BEFORE EATING

2021 Christmas Party

Your Keystone Chapter family put a defining success stamp on our 2021 activities by celebrating with our annual Christmas Party. Held at the Bird-in-Hand Family Restaurant and Inn on Saturday, December 4, we had 56 members and guests come together for a wonderful time of joyful sharing, good food and good entertainment. As in the past several years, COVIT was a concern but we did not allow it to alter our enthusiasm for enjoying the Christmas Season and the fellowship of our club members. President Tom Wright gave introductory remarks and addressed the recent loss of several faithful members, asking that we keep their families as well as those struggling with illness in our thoughts and prayers. Everyone in attendance was introduced, some with humorous editorials by Tom. The restaurant staff prepared a traditional holiday Turkey meal with all the fixings that included a favorite of many, the restaurants famous BBQ Ham Balls. We all ate more than we should have but no one complained, it's Christmas! After the meal, Tom and his daughter Cayla presented a lighthearted and complete Power Point summary of the chapter's 2021 activities that we all enjoyed. We do need to say a special THANK YOU to Cayla for being the DJ and keeping us in the Christmas spirit throughout the afternoon! There were numerous photo ops for those attending and Tom again played "Santa" by handing out gifts to the children and a small gift bag full of goodies to each attendee. The Poinsette table centerpieces were given to those lucky enough to have their name randomly pulled and there was ample time to visit with each other as well. Thank you to all who made 2021 a huge success! We wish everyone a happy and healthy 2022!

Jim Martin

Oct, Tour TBD

November 25, Friday: Black Friday Junk Yard Tour, location TBD

December 3, Saturday: Christmas Party, Bird-In-Hand Restaurant, 12:30p

Several times now my friend Jim and I have attended the “Before You Put Them Away” tour of Rag Tops and Roadsters in Perkasio then Pollocks Restorations in Pottstown (now owned by the same person with combined operations). Rag Tops focuses primarily on British sports cars, but often branches out; Pollocks will work on just about everything. Below is a link to a picture album from this past November’s tour. It was fun parking my ’48 with Jaguars, MG’s, and Austin Healeys. Serious Fun.

ODDS and ENDS - more junk yard photos

Who is the hooded stripper (parts stripper that is!)??

Project Tempest

INTERESTING CAR FOR SALE:

[1956 Pontiac Chieftain For Sale in Landisville, PA - Jacksons Auto Sales](#) The lady that owns the car has the car at Jacksons Auto Sales in Landisville, trying to get exposure. Jacksons have it on Auto Trader and Facebook Market Place as well. In the series of photo's you can see a lot of parts that she also has available. Tom will get an inventory together if someone is interested. She is asking \$19,900 but he said that is negotiable. It appears to be somewhat modified in that the original 316, 3 on the tree have been replaced with a 389 and 4-speed.
