

KSC Fall Tour to Jim Thorpe

We have planned a one day tour to Jim Thorpe, Pa. for Saturday, October 21st. This will include the fall foliage train ride, and a group tour of the elaborate Asa Packer Mansion Museum. Arrive when you like in the morning, and use the morning as free time to browse the many unique shops and stores. After lunch on your own, we will meet at the Railroad station at 12:30 P.M. to prepare for the 1 P.M. scenic train ride of the Lehigh Gorge area. If you desire to ride the train, you will need to purchase your own tickets at the station, and you should purchase them as soon as you arrive in Jim Thorpe, as the trains can fill fast at this time of the year. You can check for more information on their website: <http://www.lgsry.com/> , and also purchase tickets in advance by calling 570-325-8485. After the train ride, we will go up the hill for a private guided group tour of the fabulous Asa Packer mansion. What makes this unique is that all the furnishings are original to the house from when the Packer family lived there. Mansion tour is \$9 per person (group rate).

If you desire to attend, you MUST inform Ralph Keller in advance.
