

2 Day Fall Tour of the Northern Tier Counties

We will be conducting a 2 day fall tour to the Northern section of the State the weekend of September 14-15, 2019. The tour will leave from Williamsport at 11 AM on Saturday, September 14th. We will travel north to Sullivan County, and after a brief stop in historic Eagles Mere, Pa. we will travel the short distance to the renowned Eagles Mere auto and antique airplane museums. This consists of 2 separate museum buildings, one for cars, and one for antique planes. You can check the websites listed here: <https://www.eaglesmereairmuseum.org/> and <http://www.eaglesmereautomuseum.org>

Both museum buildings are fairly new, and quite well done. The wealthy owner has a passion for tri-five Chevys, and you will see all variations of those marque cars. Additionally, many other interesting makes of autos are on display, including a number of special Pontiacs. The air museum houses a nice collection of vintage aircraft, and often they will have some of them flying for your enjoyment. We will then proceed north to Towanda, Pa., for dinner and our overnight stay. First day mileage starting at Williamsport is about 70 miles to our overnight destination at Towanda.

On Sunday morning, we will drive across the northern tier, on the well-known historic and scenic Route 6, which stretches across the entire state. Our approximate 60 mile journey will bring us to the historic Penn Wells hotel in the beautiful small town Wellsboro, for their widely acclaimed Sunday morning brunch. After a great meal, we will proceed a short distance to the Pennsylvania Grand Canyon lookout on the East Canyon Rim. You can spend as much time enjoying the spectacular view as you like, and if you are so inclined, there are a number of hiking trails you can try.

We will then return to Williamsport, for a day 2 driving distance of about 135 miles from Towanda to Williamsport, where the tour concludes. Total mileage for both days starting at, and returning to Williamsport is about 205 miles.

Anyone who desires to see my extensive Lionel model train collection, can arrive prior to 11 AM on Saturday, or stop by when we return from the tour on Sunday afternoon. Allow ample time as there is plenty to see, with 18 operating tracks, and the very latest in Lionel Legacy wireless control system features.

I need to know who is going, and how many people in your party.

You will need to make your own motel reservations as noted below. If the main motel should fill up, I have names of several alternate motels that are available. We will have Saturday evening dinner at the Riverstone Inn as well. I will provide full driving and other detail information when you contact me at:

rjkeller203@gmail.com

or Ralph Keller @ 570-326-9237

MOTEL INFORMATION- IMPORTANT- PLEASE READ

We have a total of 8 motel rooms blocked under the "PONTIAC CLUB" name at the Riverstone Inn in Wysox, just across the river from Towanda. They will only

hold these rooms for a short while, so please make your reservation **ASAP**. This will be tourist season, and rooms fill up fast. When you call, please make sure you tell them you are a part of the PONTIAC CLUB group, since they have rooms saved for us.
