

## **KSC Spring Tour, Saturday, May 10th**

We will be again visiting our good friend Lou Calasibetta for his annual spring show. A number of our members attended last year, and a great time was had by all. Lou specializes in customs and restorations, especially Pontiacs. Last year had an impressive variety of stock and custom cars on display. The show is Mother's Day weekend, on Saturday, May 10th . Arrive when you like. If you are coming East on I-80, go to exit 4C, and head North on route 94 for about 8 miles to Blairstown. There you will turn left at a traffic signal onto route 521 and continue for about 5 miles going north into Stillwater. As you enter the village, the road splits, stay to the right. It is only a short distance to Lou's garage, which is on the left side of the road.

Look forward to seeing another good turnout of our KSC members, as the NJ chapter celebrates 50 years this year.
