

Mid-year Board Meeting will be at Knoebels Amusement Park & Resort, Rt. 487 Elysburg, PA 17824 (off Hy 61, west of Sunbury, PA). We have space for about 30 people reserved pavilion **P3**. That should be plenty, as we will just use it for the board meeting. Most likely the families and kids won't be interested in the meeting itself, and will go right over to the amusement park during the meeting. Food will be on your own, and people have a large selection to choose from in the park. The park is already heavily booked for that date, and most other weekends as well, so they will not be able to provide a separate parking area for our Club as they sometimes can do. We will just have to park in the general lot.

If anyone is not familiar with the park, go online at www.knoebels.com and check it out. It is unlikely that anyone will be disappointed. As we get closer to the date we will provide directions to the Park, as well as our pavilion. Contact Ralph Keller at 570-326-9237.
