

MAY 11 TOUR INFO

On Saturday May 11th, we will travel to Stillwater, N.J., to the Old Stillwater Garage, owned by our good friend and long-time POCI member Lou Calasibetta. He will be hosting his annual car show, which this year is considered to be a spring dust off event, that is basically a cruise, with no judging nor trophies. The show hours are from 8 AM to 3 PM. There will be food truck availability, and there is no admission charge. Lou wants everyone to just come and have a good time. It is open to stock, modified, hot rods, and all makes. The address is 913 Main St., Stillwater, NJ. 07875. It is easily accessible from I-80, just over the Delaware Water Gap and a few miles into Jersey. Follow I-80 across the NJ state line and get off at exit 4-C. Go North on route 94 to Blirstown, then turn onto route 521. Distance from I-80 to the show is only about 13 miles. We are not looking to arrange any type of official caravan, but any members who live close together, are welcome to caravan in a group if they desire. Again, the show starts at 8 AM, and you can arrive at your leisure. The phone number for the Stillwater garage is 973-383-2001.
